

March Quarterly Meeting

The Willow Lake Neighborhood Group held their quarterly meeting on Saturday, 6 March 2016. There are brochures available for pick-up in the clubhouse on all the topics that Detective Seegers brought up. Feel free to pick a set of the brochures up.

We were very fortunate to have Detective Audrey Seegers of the Bossier Sheriff's Department as our guest speaker. She discussed many forms of ways that one can have their identity stolen as well as many of the current scams that are being used to separate us from our money.

Covered Dish Night

(No pictures)

Our covered dish dinner was held on Friday, 5 March and we had a very good turn out to share in some wonderful dishes. Bingo followed the dinner and the jackpot was not won. So watch your calendar for the next evening of bingo and come out and possibly win some big bucks.

On Friday, 1 April we will have our spring cookout and there will not be bingo that evening. You must sign up for the cookout if you plan to attend, the cost is \$5.00 per person and you can pay Don Bruce, Don Mason or Dale Phillips. This is always a fun evening with some great hamburgers, hot dogs, and all that go with them. Come on out and welcome spring at our cookout.

We had 20 inches of Rain

The Willow Lake Pond went over the banks.

Willow Lake Talk

During much of the month of March we have had rain, the total for a 3 day period was over 10 inches and the ground in Willow Lake was very wet. Fortunately most of it drained off in a very short period of time and as far as I know there was no water in anyone's house. As you can see in the photo the pond was out of its banks. Some of our grass crap went over the banks but thanks to Gary and the crew some netting was erected to stop more for washing over and most if not all were rescued.

Don Mason's Recent Trip

Don Mason just came back from a trip to the Raleigh, North Carolina area where he visited with his "old" Army buddy, Bob Ogburn and his wife Maureen.

They had a great time remembering their time in Heilbronn, Germany and comparing stories of how they won the battle and saved the world. They also had a couple of days in the Smoky Mountains which were very pleasant since the weather was wonderful and the scenery great. Here is a photo of a water fall in the park.

Willow Lake Talk

After hearing we were on our way to New Orleans to celebrate our 58th anniversary, they presented us with a Three-Milk Cake that was delicious. We had a great time in New Orleans, but it's always great to get back home to Willow Lake!

March 23rd in Denver

My son sent me this picture showing what he woke up to the morning of March 23rd.

LAUGHTER IS GOOD FOR THE SOUL!

LEARNING TO CUSS

A 6 year old and a 4 year old are raking the yard.

The 6 year old asks, "You know what? I think it's about time we started learning to cuss". T...he 4 year old nods his head in approval.

The 6 year old continues, "When we go in for breakfast, I'm gonna say something with hell and you say something with ass".

The 4 year old agrees with enthusiasm.

When the mother walks into the kitchen and asks the 6 year old what he wants for breakfast, he replies,

"Aw, hell, Mom, I guess I'll have some Cheerios".

WHACK!

He flies out of his chair, tumbles across the kitchen floor, gets up, and runs upstairs crying his eyes out, with his mother in hot pursuit, slapping his rear with every step. His mom locks him in his room and shouts, "You can stay there until I let you out!"

She then comes back downstairs, looks at the 4 year old and asks with a stern voice, "And what do YOU want for breakfast, young man?"

"I don't know", he blubbers, "but you can bet your ass it won't be Cheerios"..
