The Bee Keeper

Lee and Dale Phillips have had a swarm of bees for the second year in their backyard.

Beekeeper Herman LeJeune removed them before and unfortunately, this year the bees left. If you see bees "hanging" around your yard, give Herman a call at

Land annexation for N. Bossier Walmart passes first reading

Council members met Tuesday, May 17, to discuss and vote on annexing the land on Wemple Rd. The motion passed with a 4 to 1 vote.

The ordinance has to pass one more reading by the city council before annexation will be final.

The next city council meeting is scheduled for June 7

The Metropolitan Planning Commission (MPC) needs to re-zone the land before a Walmart store can be built.

The MPC's next meeting is slated for June 6.

I know that many of us here in Willow Lake are looking forward to that Super Walmart showing up in our lifetime. It will put economical shopping within easy access for our convenience.

At this point in time, no one has shown up for support. If you would like to show support for this annexation; why not show up at the next MPC meeting on June 6 and speak up.
